

**TEXAS ENVIRONMENTAL HEALTH ASSOCIATION
NORTH TEXAS CHAPTER**

SCHOLARSHIP APPLICATION

REQUIREMENTS:

1. Applicants must be enrolled for 12 semester hours of undergraduate work or three (3) semester hours of graduate level work to qualify for the scholarship.
2. Applicants must be enrolled in an accredited college or university in Texas and be a Texas resident.
3. Applicants must have a 3.0 grade point average in the semester prior to application. An official transcript from previous semester must be submitted with the application.
4. Applicants must be pursuing course work in a major area such as natural, life, and environmental science, environmental or community health or nursing. Graduate candidates may be enrolled in a Masters in Public Administration, Business Management or Administration with intention of working in the Environmental Public Health Field.
5. **Application deadline is October 31, 2009.** The disbursement of the award will be made at the Christmas meeting in December 2009.

Level of Disbursements	\$250 Undergraduate*
	\$500 Graduate*
	*or as specified by the Governing Council

6. Applicants must be able to provide two letters of support. These may be from professors, employers, etc. At least one letter must be from an academic or employment-related source.

SCHOLARSHIP REVIEW COMMITTEE

A committee of three (3) members shall be appointed by the Chapter President to review the applications. Applications will be evaluated on a point system as follows:

Academic Record	50 points
References	20 points
TEHA Member	5 points
Autobiography	10 points
Extracurricular & Environmental Activities	15 points
Total	100 points

The Committee may consider availability of other scholarships, employment income, and financial need as criteria for candidate selection.

The following must accompany each application:

1. Complete scholarship application, including ;
2. Official transcript of grades, including the semester or grading period;
3. At least two, but not more than four, letters of endorsement as specified.
