

2010 Census Positions Available

Hiring Start: November 2008

Office Opening: November 2008

Your community is counting on you

Every 10 years, we conduct a census of our population. The results help determine your representation in government, as well as how federal funds are spent in your community on things like roads, parks, housing, schools, and public safety. As census employees, you'll play a vital role in making sure that everyone is included.

Earn good pay

Census employees receive competitive pay on a weekly basis. In addition, you will be reimbursed for authorized mileage and related expenses.

Bilingual speakers are encouraged to apply!

All census employees must be able to speak English, but bilingual skills in English and other languages are needed in communities that have a large number of residents who speak a language other than English. If you have such skills, we encourage you to apply.

Get more than just a paycheck

Besides good pay, you'll have flexible hours, paid training, and the chance to work within your own community. You'll earn a place in history, as well as work experience you can add to your résumé.
